GAME 2 ABUNDANCE

GoldRingMedia & Bank -GRMB- On 11:11:08l put forth a goal to have our own GoldRing Commercial Media Company and a GoldRing Member International Bank. Today 06-09-09 it has become a reality. Today is the start of a New Game of Abundance for GoldRing Members. WE have established relationship with a company and banking system to join where you can achieve prosperity very quickly. The cost is \$49.95 during the pre-launch period to do a set up fee for an international debit card (multiple banking networks) and receive a private commercial Website. The website is a state of the art full store front to offer any and all goods and services available on the internet.

Once you receive the Debit Card (estimated within 3 weeks for most locations) from payment and have your own Store Front the Game of Abundance takes off. We are planning for, expecting and are projecting hundreds of thousands of members to join us within 3 months and over a million within 6 months. Our partners have already put together a super strong international infrastructure to handle this scale of growth and expect millions of members. WE are opening a Private Internet Business Club that includes *International Debit Card * Professional Store-Front * Quality Products to Sell * Payment Processing * Portable Widgets * Promotional Coupons * Social Networking Compatibility * Marketing Tools for Charities and the true potential of Financial Freedom.

The first stage of growth is being built on a Network Model which will allow all of you to become members at the earliest possible stage of creation. The GoldRing is part of the Capstone of the system which is based on a forced matrix without inhibition. Once you sign up and receive your international debit card and commercial website the cost to continue to be part of the GoldRing Game of Abundance is only \$29.95 per month of business expense. The Payout once the matrix fills up for your position is estimated at \$7,000 per month. Once you sign up you are locked into this place and all but guaranteed to be able to become rich. WE are in the earliest moments of the creation of a system that can bring prosperity to ALL the Members of the GoldRing. After and as WE establish the membership using sponsorship networking model Phase II will be introduced which is our own Sovereign Banking system based on Real Abundance which is supported by a Multidimensional Pay-it-Forward Economic System.

This will move us into a true honest money system and the Golden Age.

On July 1st is the scheduled Launch to the public and payouts will begin ASAP to cardholders as the funds are received. Rysa -

I will invite you to join me in the game of abundance. It is a way to change the world. The quicker the better. Love and light Torben
